ATTENDANCE POLICY

Since staff absences can adversely affect site operations as well as coworkers and campers, an excellent attendance record is expected of all employees. Should an absence occur without prior written approval from the Assistant Superintendent of Recreation, a letter of explanation must be presented immediately upon return to work. An absence of this type will be reviewed by senior camp administrators who will, at their sole discretion, designate the occurrence as either excused or unexcused. Unexcused absences will result in disciplinary action that could include immediate termination of employment.
